

TIMELY TIPS On Scarce Hardware Merchandise

By GEO. H. MOORE

In many of our lines, goods are so scarce that wholesalers' salesmen don't even call anymore—and when we telephone in our needs, only a small fraction of the order is received.

Because this condition is bound to get worse, we think it only fair to warn our patrons to anticipate their NORMAL requirements and BUY NOW while goods are still available. But PLEASE don't buy more than you need—it's not only unpatriotic but selfish to load up on scarce goods beyond your ACTUAL NEEDS.

Among the goods that are becoming scarce are:

- * Heaters,—both gas and wood
- * Garden Tools
- * Wash Tubs
- * Pails
- * Sporting Goods of All Kinds
- * Lawn Mowers
- * Vacuum Bottles
- * Ladders
- * All Enamelware
- * Anything Made of Metal

Evening School 'Frills' Dropped At Torrance High

Lopping off the "frills," the Torrance evening school this semester will offer an almost exclusively war service and vocational training curriculum.

Commercial classes—typing, shorthand, bookkeeping and comptometry meet from 6:30 to 9:30 p. m. Mondays and Wednesdays, and women's war fitness classes from 7 to 9 p. m. the same evenings. Special day classes being scheduled are first aid, home nursing, civilian defense.

To be scheduled if demand warrants are woodshop, machine shop, dressmaking and arts and crafts—but no pastrybaking, hobbies, or "social living" subjects, it was announced.

The school is in charge of M. W. Merrill, who will work under Guy L. Mowry, San Pedro evening school head.

Mayor Proclaims 'Religious Week'

The week of Sept. 28 to Oct. 5 is to be observed as Religious Education Week in Torrance, according to a proclamation issued Tuesday by Mayor Tom McGuire. He stated that the "democracy of America is rooted in self-expression and religious liberty" and urged all citizens and their families "to participate in the activities of the church of their choice."

Catholic Catechism Classes Resumed

Catechism classes for all Catholic children attending public schools were resumed at the Church of the Nativity Wednesday afternoon. The instruction will be given Wednesdays at 9 p. m. and Saturdays at 9:30 a. m., according to Rev. Father Joseph L. Bauer, pastor.

STOCKTON GUEST

Mrs. W. H. Gilbert entertained at her home recently Mrs. Harold Butler, nee Barbara Nickerson of Stockton and formerly of this city and her daughter, Sandra. Mrs. Francis Gilbert of South Gate was also a luncheon guest the same day.

Reading room, Manuel ave., 11 a. m. to 4 p. m. each week day.
CHRISTIAN SCIENCE CHURCHES
The Lesson-Sermon subject in all Churches of Christ, Scientist, on Sunday, will be "Matter." This quotation from Paul's second letter to the Corinthians is the Golden Text: "What agreement hath the temple of God with idols?"

The Lesson-Sermon includes the following selections from the ten commandments as given in Exodus: "Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them." Also included is a statement from Habakkuk: "Woe unto him that saith to the wood, Awake; to the dumb stone, Arise, it shall teach! Behold, it is laid over with gold and silver, and there is no breath at all in the midst of it. But the Lord is in his holy temple: let all the earth keep silence before him."
On this subject Mary Baker Eddy says in the Christian Science textbook, "Science and Health with Key to the Scriptures": "The first idolatry was faith in matter." "Divine Science deals its chief blow at the supposed material foundations of life and intelligence. It dooms idolatry. A belief in other gods, other creators, and other creations must go down before Christian Science."

China Missionary, Freed by Japs, to Speak at Church Here

Rev. Robert Hammond, missionary to China, who recently arrived from New York where he disembarked from the Swedish liner Gripsholm, the vessel used in the exchange of American and Japanese nationals, will speak next Sunday night, Sept. 20, at the Assembly of God church, 1741 Border ave. He will tell of the harrowing experience of being captured by the Japs ad what many months in a Jap internment camp in Hongkong was like.

Next Sunday night will also mark the beginning date of a series of evangelistic meetings at the Assembly of God church. Evangelist Floyd McWhinney of San Diego will be in charge. He will take charge of the services Monday evening.

Britain's Ministry of Supply is asking butchers to save the thousands of tons of bones that are thrown away every year.

Tax-Deeded Land Sales Continue Thruout County

A total of 16,843 parcels of tax-deeded land have been sold or are under option for sale, according to a five-year report from the county delinquent tax lands committee to the board of supervisors this week.

Payments made on the sales total \$614,620, as of the end of the last fiscal year, June 30, the report stated. In addition to this, another \$872,642 is expected during the course of the sales, bringing the total anticipated revenue to \$1,487,263.

The tax-deeded lands have been sold to cities, irrigation districts, private interests and individuals. About half of the cities of the county have embarked on a program to buy up tax-deeded lands and then resell to private buyers over a period of a year or longer. Torrance has options to buy 109 parcels for \$4,988, but has taken only 12 for \$1,209.

WAAC Quota Increased In SC

Recruiting Headquarters for the Women's Army Auxiliary Corps, Room 499 Pacific Electric Building, Los Angeles, has announced the receipt of authority to enroll over twice the original number scheduled to be trained from this area during September and October.

Women between the ages of 21 and 44 inclusive who are citizens of the United States are eligible to apply. The W.A.A.C. Board then administers the qualifying examinations consisting of an intelligence test, physical test and personal interview.

BARLEY CROP GRADED
The far western barley crop for 1942 is grading somewhat higher than the barley crop of last year. The quality of the barley crop in the central west was considerably below that of last year.

Hear a Man Who's Been There...

ROBERT HAMMOND, missionary to China, who has just arrived from a Japanese internment camp, will tell you of his experiences in the Japs—SUNDAY EVENING, 7:30 O'clock, Sept. 20, ASSEMBLY OF GOD CHURCH, 1741 Border Ave., Torrance.

Japanese at Santa Anita Being Moved Inland In Groups of 500

Japanese evacuees now located in the Santa Anita Assembly Center at Arcadia are being transferred inland in periodic movements which started today when 3,000 started trekking to the Granada Relocation Center in Prowers county, Colorado, 130 miles east of Pueblo.

The next contingent of evacuees will be transferred Sunday to the Rohrer Relocation Center in Desha county, Arkansas. Approximately 4,600 will move to that location. Approximately 500 persons will be sent out from Santa Anita each day until the movement is completed.

Meals will be served enroute and medical attendants from the U. S. Public Health Service will be aboard the train. The journey will require approximately five days.

Reduces Population
The Rohrer Relocation Center is the first of two centers to be opened in Arkansas, and will be operated by the War Relocation Authority, a civilian agency created for the purpose of maintaining such centers for the duration of the war. It will have a capacity of 10,000 evacuees when filled.

The order sending the Japanese to Colorado was the second affecting the temporary Santa Anita Center, largest of the group operated by the War-time Civil Control Administration. The previous order resulted in transfers to the Colorado River Relocation Center, near Parker, Arizona, and to the Heart Mountain Relocation Center, Vocation, Wyoming.

Under the new order, the population of the Santa Anita Center will be cut to approximately half of the original total of 19,000 Japanese. Other orders will be issued as rapidly as inland relocation centers are made available.

MOTORISTS PAY
Motorists of the United States have poured into State treasuries more than \$16,000,000,000 in gasoline taxes and registration fees up to Jan. 1, 1942. This amount exceeds by a wide margin the total money now in circulation in the nation.

them before planting in the field. One should keep in mind that plants do best if moved on cloudy days or in the evening. They should be watered immediately and shaded from the hot rays of the sun.

Brazil estimates it now has 40 per cent of the world's iron ore.

Plant Fall Gardens Now

Residents of Southern California are urged to plant more fall and winter vegetable gardens in an effort to avoid any possible future food shortage. With our armed forces and allies drawing more heavily on our food supplies and with our farmers confronted with a labor shortage, it is pointed out by A. F. Gillette, assistant county farm advisor, that there is a greater need now for winter gardens than probably ever before.

Crops that can be planted now in most districts of Los Angeles county according to Gillette are cabbage, carrots, beets, turnips, spinach, onions, lettuce, parsnips, radishes, endive, broccoli, and cauliflower.

The cabbage, broccoli, cauliflower, and onion plants are often started in hot beds or cold frames. These plants should be exposed gradually to outdoor conditions in order to harden
